- ☐ **Internship Program -** This fund allows you to invest in the lives of individual artists as they train and experience the impact of sharing the gospel through the arts. You may designate your gift to a specific intern, or it may be designated as a general gift to the intern program.
- ☐ **Studio 516 Scholarship Fund -** This fund allows you to invest in the lives of young student artists by helping them attend a STUDIO 516 camp that they would not be able to do so otherwise.
